PREMIUM SOUNDPROOFING STRUCTURE

Top quality soundproofing system combines extra-thick rubber pads and commercial grade stone guard coating ensured a quiet workspace with less vibration and less noise

IZR10 - SERIES CONTEMPORARY TIGHT RADIUS CORNERS

TIGHT RADIUS INNER CORNERS

- Modern Styling
- Easy to Clean
- More Room Offered

IZA is setting the standard with precision engineered acute 95 degree sink wall and Tight radius corners.

Tight Radius corners offer the style as a modern kitchen sink while much easier for daily maintenance than usual Zero radius corners

With well-designed corners our sinks provide more space and optimal ergonomics.

STONEGUARD COATING

Combines nontoxic full-body coating with cushioning pads for enhanced thermal & sound proofing. Our sinks do a better job at maintaining water temperature and preventing condensate formation that can damage wooden cabinets

EXTRA-THICK DAMPENING

3mm cushion pads made of quality noise dampening material, Durable for high duty use

IZR10 - SERIES

Optimal Drainage Achieved by Precision Channel Grooves & High Quality Drains

Zero Radius

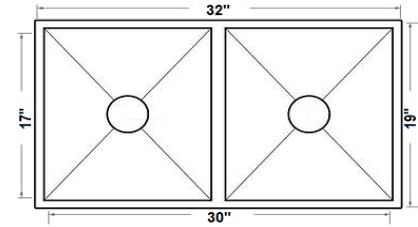

Naturalstonesbyiza.com

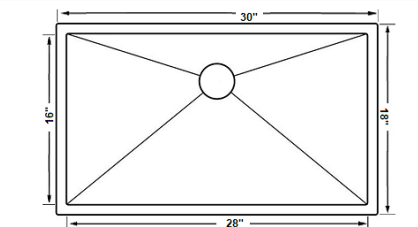

Our Zero Radius sink collection is 100% Hand made by Skilled Artisans. Rectangular with 90° corners, and a commercial sleek look. With near flat bottoms for safely stacking dishes. Better stability and more capacity than traditional kitchen sinks, which have rounded edges and sloping walls. A popular choice for homeowners looking for a modern, sophisticated and practical sink style to complete their Dream kitchen.
