IZA-Series Tight Radius

PREMIUM SOUNDPROOFING STRUCTURE
 Top quality soundproofing system combines extra-thick rubber pads and commercial grade stone guard coating ensured a quiet workspace with less vibration and less noise

EXTRA-THICK DAMPENING
 3mm cushion pads made of quality noise dampening material, Durable for high duty use

STONEGUARD COATING
 Combines nontoxic full-body coating with cushioning pads for enhanced thermal & sound proofing. Our sinks do a better job at maintaining water temperature and preventing condensate formation that can damage wooden cabinets

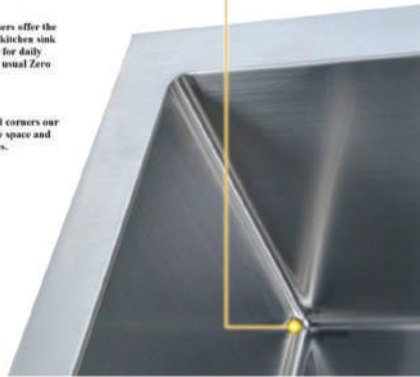

IZR10 - SERIES

TIGHT RADIUS INNER CORNERS

- IZA is setting the standard with precision engineered acute 95 degree sink wall and Tight radius corners.
- Tight Radius corners offer the style as a modern kitchen sink while much easier for daily maintenance than usual Zero radius corners
- With well-designed corners our sinks provide more space and optimal ergonomics.

Handmade Stainless Steel

Our Chicago-Series Zero Radius sink collection is 100% Hand made by Skilled Artisans. Rectangular with 90° corners, and a commercial sleek look. With near flat bottoms for safely stacking dishes. Better stability and more capacity than traditional kitchen sinks, which have rounded edges and sloping walls. A popular choice for homeowners looking for a modern, sophisticated and stylish sink to complete their dream kitchen.
